

For Immediate Release

GUAYNABO, PUERTO RICO – October 23, 2008 - Johnson & Johnson Puerto Rico held its' 2nd Annual Puerto Rico Supplier Recognition Day held at the Caribbean Cinemas in Guaynabo, Puerto Rico.

Reliable Safety Products received the prestigious 2008 EHS Procurement Excellence Award from Johnson & Johnson Puerto Rico for providing outstanding services in the category of environmental, health and safety. Eleven finalists were considered for this top honor in this product category. Gloria Garcia, Sales Manager of Reliable Safety Products, accepted the award on behalf of all of Reliable employees, during an Oscar award-type show that featured theater lighting and high energy music.

Seventy-Five suppliers from a variety of product commodity categories were measured by J&J personnel at all eight facilities on the island. Reliable was one of eight suppliers recognized for achieving top honors in their respective product categories. Criteria measured for these awards included: technology and innovations; quality, responsiveness, delivery, EH&S compliance and transportation and logistics.

Reliable Safety's top management was extremely excited when notified of receiving this top honor. "Quality service started over thirty-seven years ago, when my dad (Frank Cincotta) started this business in Puerto Rico," said John Cincotta, President and CEO of Reliable Safety Products. His passion for customer satisfaction has been the foundation for our success. It takes a tremendous amount of teamwork and

(more)

dedication to receive an award of this magnitude. I am extremely proud of our entire staff and our partnership in safety with a first class organization in Johnson & Johnson.”

Johnson & Johnson Puerto Rico is a recognized leader in the healthcare industry and values their top suppliers in helping them achieve success at all levels within their business model.

Established in 1971, Reliable Safety Products is a recognized leader in the sales and distribution of innovative personal and product safety equipment and solutions. The companies' complete line of products and services range from head to toe protection and a variety of cleanroom products, from apparel to wipes.
